## Memorial Wreaths

To commemorate the memory of our loved ones, during the fall and winter seasons memorial wreaths are placed on the graves. Once again, Catholic Cemeteries is pleased to offer you an attractive selection of wreaths. Made of enduring silk-like flowers and weather-proof greenery, the wreaths are full and bright and will hold their beauty in even the harshest winter elements.

If you would like to purchase a wreath(s), please choose from the selection shown on this pamphlet. Or if you prefer to come into the cemetery office to make your purchase from our display, we would be pleased to assist you.

## Important Reminder

In order to ensure that your memorial wreath is placed on the grave by November 1<sup>st</sup>, we suggest you place your order as soon as possible. The wreaths will be left on the grounds until April 1<sup>st</sup>, after that time they will be discarded. Should you wish to retain your wreath, you may remove it prior to April 1<sup>st</sup>.

Purchase price includes a metal stand and the placement of the wreath(s). It also includes a tag identifying the location of the grave so that in the event the wreath is displaced, it can be relocated properly.
